WATSON'S ATTACK ON MR. BUTLER

WHAT HE SAYS IN HIS OFFICIAL
ORGAN.

He Filed a Written Protest Against
Any Attempt Looking Towards Fu-
sion in Any State—His Position Has
Been Humiliating—Possibly No Truth
in the Report that He Will Get Off the
Ticket.

Atlanta, Oct. 2.—The publication in
this week's issue of Thomas E. Watson's
People's party paper, out to-day, of an
editorial attack on Chairman Marion
Butler, of the Populist national commit-
tee, has excited comment here and is con-
sidered significant in view of the rumors
abroad that Mr. Watson may retire from
the ticket. The editorial in question is
as follows:

"Attempts have been made to show
that Mr. Watson favored fusion in the
State of Indiana.

"This is not correct. Mr. Watson took
the position at the beginning of the cam-
paign that no Populist could consistently
vote for a single Sewall elector any more
than he could vote for a Hobart elector.
"He filed with Mr. Butler a written
protest against Mr. Butler's fusion pol-
icy. Mr. Butler has ignored Mr. Wat-
son's protest and gone steadily forward
on his own line.

"Mr. Watson's position is now what it
was when the Georgia State convention
met. He is for a straight 'middle of the
road' ticket. In no way can the
Democratic managers be forced to abide
by the St. Louis contract.

"Mr. Watson's position has been hu-
miliating and embarrassing, and he has
been compelled to submit to policies he
did not approve."

"Mr. Watson spoke at McDonough to-
day. The Journal telegraphed its corre-
spondent there to ask the Populist nom-
inee to confirm or deny the report that he
contemplated withdrawing from the
ticket, and to also ask what he thought of
the proposition that he and Sewall both
withdraw and a new man be substituted.
Mr. Watson said he did not care to dis-
cuss the matter in any way. He did not
refer to it in his speech.

NO INFORMATION TON.

Washington, Oct. 2.—Officials at both
Democratic and Populist headquarters in
this city claim to have no information
with regard to the report that Candidate
Watson contemplated withdrawing from
the Vice-Presidential contest. While
none of them desire to be quoted, it is
evident the report is thought not well
founded. It is, however, considered pos-
sible that Mr. Watson, who has opposed
fusion in Indiana and other States, may
have expressed himself in a way to jus-
tify the report. The Populist national
committeemen here, however, are quite
elated over the accomplishment of fusion,
notwithstanding Mr. Watson's protests.
Senator Butler says it indicates the suc-
cess of the committee's efforts in the
States where no fusion has yet been ac-
complished, and above all, that the rank
and file of the Populist party will show
on election day that they regard the de-
feat of McKinley and gold monometallism
as the paramount question of the cam-
paign.

Senator Butler has not decided when
he will issue his contemplated address,
but it will probably follow quickly upon
Mr. Bryan's letter accepting the Populist
nomination, which is expected to appear
within the next few days.

OHIO STATE SENATOR MISSING.

Adolph Pluemer Unable to Settle With
Cincinnati School Board.

Cincinnati, Oct. 2.—State Senator
Adolph Pluemer has been missing sev-
eral days, and the city treasurer stated
that he had failed to turn over \$500 due
the school board for its library fund.
Senator Pluemer retired as treasurer of
the library in June, and was unable to
settle then or since. He has been a prom-
inent iron dealer, and was at one time
reputed to be a millionaire. He lost heav-
ily in the Aetna furnaces at Ironton. His
friends here are raising funds to meet
the library and other claims. Senator
Pluemer is not considered guilty of any
embezzlement, but so pressed that he
cannot meet his obligations.

The busy season of the year is at hand
again. October will be a month of be-
ginnings in the various departments of
association work after the hot weather.
Now is the time to plan for systematic
exercise in the gymnasium. Arrange-
ments have been made for medical and
physical examinations free of expense to
members, commencing on Tuesday night
of next week, and six classes will be
conducted weekly for men. Next Sunday
will be rally day at Y. M. C. A. Hall.
Every man in the city is cordially in-
vited to be present. The exercises will
be especially interesting. Special music
will be provided and brief addresses will
be made by several of the pastors of the
city and officers of the association. See
to-morrow's paper for further announce-
ments.

HOKE SMITH.

At Valdosta, Ga., He Made a Speech at
Eulogized Cleveland.

Atlanta, Ga., Oct. 2.—Ex-Secretary
Hoke Smith delivered to-day at Valdosta
the second and last of the speeches he had
consented to make in the State campaign,
in compliance with the request of the
Democratic executive committee. Mr.
Smith prefaced his remarks, which were
devoted almost entirely to the advocacy
of the State ticket, with the statement
that, although because of the promise he
had given while making the fight against
the free and unlimited coinage of silver
in Georgia before the party's nominees,
he could not endorse the Chicago plat-
form, and regarded the financial plank
of that platform especially as a most
serious error. His opposition to the free
coinage of silver was as earnest and as
uncompromising as ever, he said, and it
was only because he felt bound by the
definite promise he had given and his par-
ticipation in the canvass and the primar-
ies preceding the convention that he sup-
ported the Democratic ticket, a course he
had taken with reluctance and that he
could not urge it upon any one who had
not made a similar pledge.

A notable feature of the ex-Secretary's
speech was his eulogy of President Cleve-
land, which was earnest and eloquent,
and which was received with prolonged
and tumultuous applause.

PORTSMOUTH BAPTIST ASSOCIATION.

An Estimate That There Are 700,000 Un-
saved Adults in Virginia.

Petersburg, Va., Oct. 2.—The Ports-
mouth Baptist Association is holding its
annual meeting at Colosse Church, in
Isle of Wight county, this State. This
association embraces all the Baptist
churches in Norfolk, Portsmouth, Suffolk,
Petersburg, and the counties adjacent to
these cities. At its session to-day the
orphanage was considered, and special
attention was paid to the fund of \$3,500,
which was last year apportioned for
building a Portsmouth association cot-
tage at Salem. Several addresses were
made on the subject. J. R. Griffin, of
Portsmouth, was appointed treasurer of
this cottage fund, and the churches are
requested to send money.

Mr. Griffin, and other

ligious population. He argued the great

decided to meet next year at Great Fork

FREIGHT WRECK NEAR DANVILLE.

Weak Trestle on the Southern Railway
Near Danville Gives Way.

Danville, Va., Oct. 2.—A northbound
freight train was wrecked near Fall
Creek Station, eight miles north of Dan-
ville, at 3 o'clock yesterday afternoon, de-
railing and demolishing ten cars. None
of the trainmen were injured. The acci-
dent was caused primarily by breakage
of an axle under a tank car and the giv-
ing away of the trestle.

A wrecking train and force were
promptly dispatched to the scene and
made every effort to repair the damage.
The southbound passenger train No. 35
was dispatched southward via Burke-
ville. The trestle where the wreck oc-
curred is about twenty-five feet high and
had been weakened by the heavy rain.

CUBAN NEWS.

Havana, Oct. 2.—Spanish forces under
the command of Colonels Sarrano and
Cano have been engaged with the insur-
gents under Alvarez and Trullio at the
Gusimial farm on the Naranjo river.
Alvarez and twenty other insurgents were
killed. The troops had five men wound-
ed. The steamship Juan Forgas has ar-
rived here from Spain bringing forty of-
ficers and 1,500 soldiers to reinforce the
Spanish troops in Cuba.

Madrid, Oct. 2.—A dispatch from Ha-
vana announces that Gen. Maluza has
taken the positions occupied by Gen. Ma-
rco and that the insurgents lost eighty
killed and large numbers of wounded.
The dispatch adds that eleven Span-
iards were killed and that ninety were
wounded.

NO TRUTH IN IT.

London, Oct. 2.—The Press Association
this evening announces that it learns
from government circles that there is no
truth in a report which originated from
a dispatch from Vienna to the Daily Mail
to-day saying that the powers have
agreed upon a pacific settlement of the
Eastern question, honorable to all parties
and guaranteeing the security of the Ar-
menians. This was a direct intimation
that the Turkish difficulty was virtually
settled, but it appears such is not the
case.

ATTENDANCE IS LIKELY

NATIONAL ASSOCIATION OF
DEMOCRATIC CLUBS.

To-day—Mr.
Bryan will be present and no doubt
will be the center of the Dele-
gates. Mr. Sewall Cannot Attend.

St. Louis, Mo., Oct. 2.—Assistant
Secretary McKean and his corps of as-
sistants were busy all day registering
delegates to the National Association of
Democratic Clubs, which meet here in
session to-morrow.

"So many are coming in," he said, "I
would not be surprised if there were 2,-
000 delegates present when the conven-
tion is called to order at 11 o'clock to-
morrow. Up to this evening about 800
delegates have handed in their creden-
tials and late to-night and early to-mor-
row a great many more than that num-
ber will arrive. Accommodations have
been made for 2,500 delegates and we may
possibly fill every seat reserved for them."

Vice-President Adlai Stevenson, who
will act as temporary chairman of the
convention, was the first of the leaders to
arrive this afternoon. President Chaun-
cey F. Black, of Pennsylvania, and other
officials of the National Association of
Democratic Clubs, came in on a special
train over the C. and O. railroad, accom-
panied by delegates from eastern clubs.

President George E. Roe, of Texas,
who will be sergeant-at-arms of the con-
vention, and Congressman Sulzer, of New
York, also arrived to-day.

The following telegram was received
here to-day:

"George W. Allen, St. Louis, Mo.: I
regret sincerely that I am to be deprived
of the pleasure of participating in the
great meeting of Democratic clubs, which
will contribute so much to our cause.
Arthur Sewall."

Chairman Jones, of the national execu-
tive committee, sent the following tele-
gram from Chicago to-day:

"Impossible for me to be in St. Louis.
Important matters keep me

The first to begin
Saturday morning, will be devoted to the
preliminary work and permanent or-
ganization. The second session, Saturday
afternoon, will elect officers and listen to
speeches from the guests of national
prominence. At the night session the
chief attraction will be the presence and
speech of Mr. Bryan.

It is quite likely that all of the present
officers will be re-elected, as there seems
to be no opposition to Chauncey F. Black,
the president, nor to Lawrence Gardner,
the secretary.

To-night all the visiting and local clubs
took part in the parade through the busi-
ness section of the city. Forty-five clubs
were in line, making an imposing sight
with waving banners and torches.

BRYAN AT CINCINNATI.

He Addressed Three Large Meetings in
That City Yesterday.

Cincinnati, Oct. 2.—William Jennings
Bryan to-night addressed three big meet-
ings in this city. Then he crossed to the
Kentucky shore and spoke to a great as-
semblage at Covington. It was a fitting
close to a most eventful day. From
dawn to dusk the nominee sped across
West Virginia from Charleston to the
Ohio river, stopping and speaking at al-
most every town of consequence, and
then along the Kentucky banks to this
city. Arriving here at 6:45 p. m., he was
met by a local committee and the mem-
bers of the Duckworth Club and was
driven to the Hotel Gibson, where he ate
a light supper. Almost immediately af-
terwards a procession was formed to Mu-
sic Hall, where the biggest meeting of the
night was held. At the conclusion of
his speech there he addressed two other
successive meetings from stands erected
at street corners to gratify thousands who
could not gain entrance to the hall. Then
he visited Covington.

The vast auditorium at Music Hall was
so thickly packed with people that it was
next to impossible to move. Even the
aisles were clogged with standing men
and women. In the beginning was start-
ed up what looked like an attempt to break
up the meeting, but it was quickly sup-
pressed and thereafter the candidate's ut-
terances were greeted with the utmost
enthusiasm. The disturbance was
created by a gang of roughs in the gal-
lery, and while it lasted it threatened to
create trouble.

Mr. Bryan appeared upon the stage at
8:20 o'clock and the ovation that greeted
his entrance continued without abate-
ment for eight minutes. When the ap-
plause had subsided Hon. Louis Remlee,
who acted as chairman of the meeting,
attempted to introduce Mr. Bryan, but
the gallery would not permit him to talk.
Hon. Gustave Tafel then tried to get
something like order, but with no better
success. Eventually Mr. Bryan stepped
to the speaker's stand and raised his
hands in a mute appeal for silence. For
a moment he was successful, but at the
end of his first sentence the noise in the
upper part of the house was resumed and
the candidate was obliged to resume his
seat. Then Olway J. Cosgrove, president
of the Duckworth Club, under whose au-
spices the meeting was held, pointed out
as the chief offenders three men in one of
the balconies and asked the police to re-
move them. In doing so he characterized
them as "bunches of rascals," and entreated
the rest of the audience to "keep them out."

Mr. Bryan then addressed the meet-
ing for about ten minutes, and then re-
turned to his seat. He was again intro-
duced by Hon. Louis Remlee, and then
addressed the meeting for about ten min-
utes, and then returned to his seat. He
was again introduced by Hon. Louis Re-
mlee, and then addressed the meeting for
about ten minutes, and then returned to
his seat. He was again introduced by
Hon. Louis Remlee, and then addressed
the meeting for about ten minutes, and
then returned to his seat. He was again
introduced by Hon. Louis Remlee, and
then addressed the meeting for about ten
minutes, and then returned to his seat.

States and from Montreal this week

with 3,930,000 bushels last week, 3,613,000
bushels in the corresponding week one

CONDITION OF TRADE IS BETTER

A HEAVY MOVEMENT IN THE
SPRING WHEAT REGION.

There is a Slight Improvement in the
West and South—Money Market is
Easier and Commercial Paper is More
Easily Discounted—Wholesale Mer-
chants Report a Better Feeling.

New York, Oct. 2.—Bradstreet's to-
morrow will say: Cooler weather, and
continued purchases by merchants, nota-
bly West and South, continued the slight
improvement in trade recorded in preced-
ing weeks. Merchants at primary cotton
markets and at the large centres in the
spring wheat regions report a better
movement of staples, due to unusually
heavy receipts of these crops. Through-
out central West, including such points
as Baltimore, Cincinnati, Chicago and St.
Louis, the volume of trade falls behind
that of a year ago in some instances, but
is equal to it in others. At Eastern cen-
tres the improvement is seen in greater
ease in the money markets, and more dis-
position to discount the commercial pa-
per, although at unchanged rates. Wholesale
merchants report a better feeling
generally, but few anticipate any ma-
terial increase in the volume of business
this month. Mercantile collections are
slow and as difficult to make as hereto-
fore, except in the cotton States, and at
some points in the Northwest, where
heavy crop reports have enabled interior
merchants to liquidate long standing ac-
counts. The more conspicuous demand
at larger cities is for dry goods, clothing,
shoes, hardware, leather and lumber.
There is also a better demand for pig iron
and for steel. Business in cotton goods
has been checked by the advance in
prices, and mill stocks tend to accumu-
late again.
